### DESIGNED BY ASSESSORS

#### Intuitive And Easy to Use:

- Completely customizable user panels
- Supports multiple approaches to value
- Sophisticated analytical tools
- Customizable Property Record Cards
- All fields available for ad hoc reporting

### INDUSTRY-LEADING CAMA

#### Market's Largest Customer Support Team:

- Used by jurisdictions from under 300 parcels to over 1 million parcels
- Accurate and fast implementations in months - not in years
- Preferred vendor in all markets we serve

## Louisiana's Modern CAMA Solution

*Built on State-Of-The-Art Technology Designed to Last a Lifetime*

### COMPLETELY CUSTOMIZABLE

#### Work The Way You Want To:

- Add, edit, hide or relabel any field
- Select the features that meet your needs using the admin module
- Cloud hosting - work remotely anywhere
- Reduce costs, improve security with cloud
- Built in report writer allows drag & drop fields on the fly, easy form & mailer creation

### INDUSTRY'S BEST SKETCH PROGRAM

#### Tailored To Reduce Burden On Assessors:

- See the impact on value as you sketch
- Easily flip and rotate sketches
- Seamlessly split and convert shapes
- Quickly add points and modify lines
- Dozens of built-in time savers like bay window stamps and labeling shortcuts
- Easily export to any format

## NEXT GENERATION CAMA PLATFORM

*Your Data is at the Center of Everything We Do*

### AUTOMATED WORKFLOWS AND INTEGRATIONS

#### Integrate With Other Critical Programs:

- Integrate automatically with any tax, billing or building permit software
- Embedded GIS module with bidirectional CAMA syncing
- View flyover imagery within CAMA
- Unlimited images, media and video

### 100% ACCURATE VALUES

#### Supports Every Approach To Value:

- Supports cost, market, income, regression, condo value, apportionment, trending
- Full featured income valuation model
- Adjustable comp sales models
- Easy value comparison by approach
- New improvements in valuation accuracy
