2026 REVALUATION - RESIDENTIAL DATA VERIFICATION REPORT

The Town of Enfield is currently in the process of conducting a Revaluation of all real property effective for the October 1st, 2026, grand list. The Town has hired Vision Government Solutions to assist the Assessor's office with this project. To ensure public confidence, property owners must play an active and important role in monitoring the quality of the data that is to be used as the basis of the Revaluation. Certain information concerning your property has been compiled from existing Town Records and property inspections. This information will be utilized during the valuation phase of the revaluation process. Please review the information listed below **and verify if all the information is correct or make any necessary corrections.** After reviewing this information, if corrections are necessary, please cross out the incorrect information and provide the correct data. Please **sign and return** the completed form. **If no changes are necessary, you do not need to return this form.**

This form may be returned by mail, by fax or scanned & emailed. Return mailing address, fax number, and email address are listed on the top of this form. Your cooperation is greatly appreciated.

Changes cannot be made by telephone as a signed form is required for our records.

*A basement area is considered finished if any combination of three of the following four items exist:

1. Finished walls such as paneling or sheetrock, etc.
2. Finished flooring such as carpet or linoleum.
3. Finished ceilings such as drywall or drop-ceiling panels.
4. Heat, including wood stoves.

Please note: the finished lower level of a Raised Ranch or Split Level home is also considered "Finished Basement"
